

Mobile App Interface Breakdown:

- **Camera Photo Evidence Upload:** Complaint raise karte waqt camera/gallery se live photo attach karna.
- **Category Selector:** Plumbing, Electrical, Wi-Fi, Mess, Carpentry, Misconduct categories.
- **Real-Time Socket.io Chat:** Warden aur Maintenance Staff ke sath 1-on-1 private chat thread.
- **Group Chat Rooms:** Hostel Block & Floor group chat rooms with unread badges.

💡 **Student Benefit:** Phone se instant photo khinch kar complaint raise karo aur warden se live chat par updates lo.

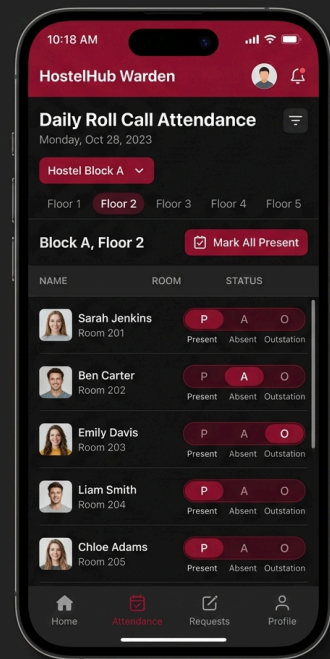

The screenshot displays the HostelHub Student Portal interface. On the left is a sidebar with navigation links: Dashboard, Attendance, Mess Menu, Complaints, Fees, Profile, and Logs out. The main content area is titled 'Dashboard' and features two primary sections:

- Attendance Calendar:** Shows a calendar for October 2023. It includes summary statistics: Total Present (163) with a green 'P' badge and Total Absent (6) with a red 'A' badge. The calendar grid uses green 'P' for Present, red 'A' for Absent, and yellow 'O' for Outstation.
- Weekly Mess Menu:** Displays the menu for Wednesday, 25 Oct. It lists items for Breakfast (Binanes, Surity, Nuteamea), Lunch (Binanes, Chicken, Nutantea), and Dinner (Binanes, Surity, Nuteamea, Rohe), each with a 5-star rating.

Desktop Web Portal Breakdown:

- **Monthly Attendance History:** Interactive calendar showing daily Present ●, Absent ●, and Outstation ● badges.
- **Attendance Gauge:** Visual percentage ring (e.g. 94% Attendance) tracking semester eligibility.
- **Weekly Mess Schedule:** Daily Breakfast, Lunch, Snacks, Dinner menu view.
- **1-to-5 Star Feedback:** Submit meal ratings & quality feedback comments directly to mess committee.

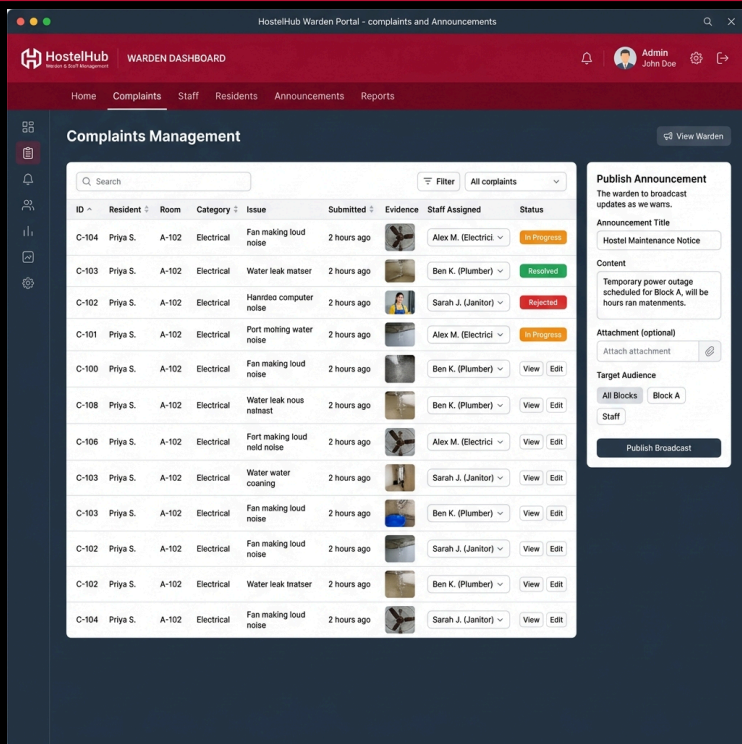

💡 **Student Benefit:** Poore month ki attendance audit aur weekly mess menu single dashboard par dekhna.

Mobile App Interface Breakdown:

- **Fast Roll Call Attendance:** Hostel Block & Floor filters ke sath student list scrollable view.
- **Status Toggles:** Individual student ke liye Present, Absent, ya Outstation toggle select karna.
- **1-Click Bulk Action:** "Mark All Present" button fast roll call verification ke liye.
- **Instant Database Sync:** Attendance mark karte hi database aur student dashboard par live update.

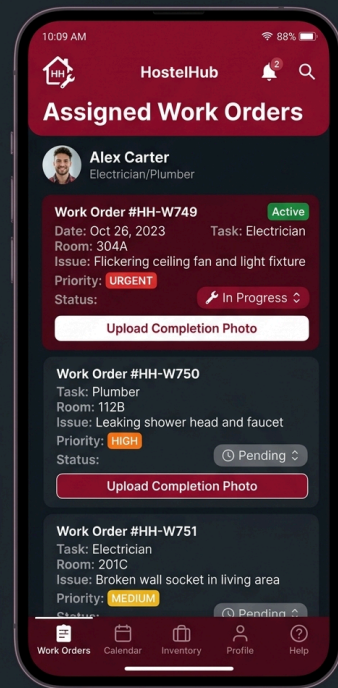

💡 **Warden Benefit:** Daily night roll call 2 minute mein mobile se complete karna without paper registers.

Desktop Web Portal Breakdown:

- **Photo Evidence Inspector:** Student dwara upload ki gayi photo proof inspect karna.
- **Staff Task Routing:** Complaint technician/staff ko assign karna (e.g. Electrician Ramesh).
- **Status Controls:** Mark complaints as In Progress, Resolved, ya Rejected with remarks.
- **Targeted Announcements:** Specific hostel blocks ko official circulars publish karna.

💡 **Warden Benefit:** Maintenance staff work allocation aur hostel broadcasts ek hi screen se manage karna.

Mobile App Interface Breakdown:

- **Assigned Work Orders:** Electrician / Plumber / IT staff ko assigned task cards showing Room No & Issue.
- **Urgency Badges:** High / Medium / Low urgency tags and warden notes.
- **Status Update Toggles:** Change status from Pending → In Progress → Completed.
- **Completion Proof Photo:** Repair work khatam karke completion photo upload karna.

💡 **Staff Benefit:** Technicians ko unke phone par direct task order milna and clear room locations.

The screenshot displays the HostelHub Super Admin Panel. The top navigation bar includes the HostelHub logo, 'Super Admin Panel', a welcome message, and user profile information. The left sidebar contains a menu with options: Dashboard, User Management, Hostel Blocks, Room Allocation, Fees & Payments, Reports, Settings, and Support. The main content area is divided into two sections. The top section, 'User Management', features a search bar and a table of users. The bottom section, 'Hostel Block & Room Allocation Matrix', shows a detailed view of room allocation across three blocks (A, B, and C), including room types, status, occupancy, and capacity.

	Triple	Fully Occupied	1	2	Room Assignment Controls

Desktop Web Portal Breakdown:

- **Master User Directory:** Saare Students, Wardens, Staff, Admin accounts view, edit, block, ya delete karna.
- **Pending Account Approvals:** Naye student signups ko verify & approve karna.
- **Hostel Infrastructure Setup:** Create Hostel Blocks, floors, single/double/triple sharing rooms.
- **Room Allocation Matrix:** Student ko room assign karna aur room transfers update karna.

💡 **Admin Benefit:** Poore system users aur physical hostel infrastructure ka 100% centralized master control.

Mobile App Interface Breakdown:

- **Voice Mic Assistant:** Voice mic button dabakar natural Hinglish queries poochhna.
- **Quick Red Alerts:** Overdue complaints (>48hrs) aur emergency SOS alerts on mobile screen.
- **Instant Data Extraction:** Natural language query ko live database table mein convert karna.
- **Executive Mobile Controls:** On-the-go director level status monitoring on smartphone.

💡 **Director Benefit:** Management college ke bahar bhi phone par bol kar instant real-time data le sakti hai.

Desktop Web Control Room Breakdown:

- **Antigravity AI Model Switcher:** 1-Click dropdown (Auto-Select, Gemini Flash, GPT-4o, Claude).
- **360° Hostel Health Cards:** Occupancy %, Attendance %, Red Alerts, Gate Pass Count.
- **Interactive Complaint Flowchart:** Complaint lifecycle stage visual map with bottleneck alerts.
- **Floor Capacity Heatmap:** Color-coded room status grid (Green, Blue, Yellow).

💡 **Management Benefit:** Master executive control room with zero-downtime multi-AI model switcher.

Wi-Fi complaints by floor

Antigravity AI
Here is the current Wi-Fi complaint distribution by floor:

Wi-Fi Complaints by Floor (Current Month)

Ask Antigravity AI...

AI Chat Engine Breakdown:

- **Natural Language Input:** Query e.g. "Show 48hr unresolved complaints in Block A".
- **Dynamic Table Responses:** AI instant dark table render karta hai with Red Urgency Tags.
- **Embedded Bar Graphs:** Query e.g. "Wi-Fi complaints by floor" par direct Bar Chart.
- **Read-Only Safety:** 100% Read-Only database connection with zero data corruption risk.

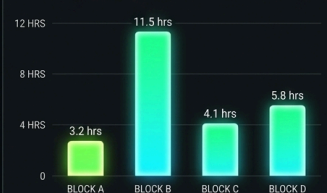

💡 **Management Benefit:** Natural text query enter karte hi live visual tables aur graphs automatic ban jate hain.

HOSTEL OPS DASHBOARD | SLA & CAPACITY ANALYTICS

FLOOR-BY-FLOOR CAPACITY HEATMAP (REAL-TIME STATUS)

SLA RESOLUTION SPEED | TICKET CLOSURE AVG (HOURS)

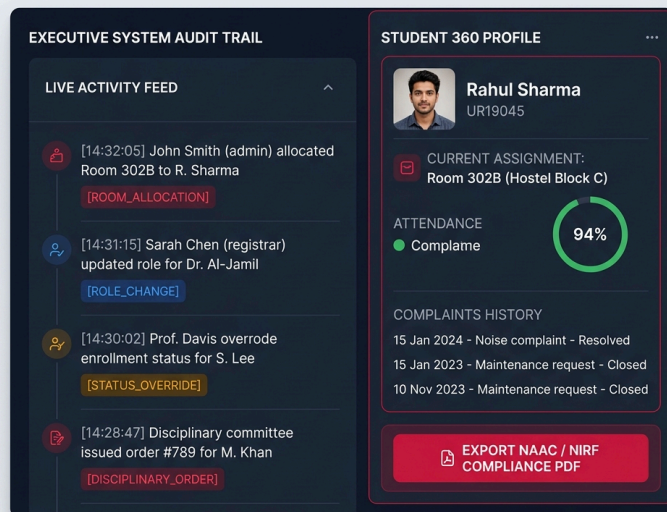

STUDENT ATTENDANCE PATTERNS | LAST 30 DAYS

Visual Analytics Breakdown:

- Floor-by-Floor Heatmap:** Green (Occupied), Blue (Vacant), Yellow (Maintenance).
- SLA Resolution Bar Graph:** Hostel Block wise resolution hours (*Block A: 3.2h* vs *Block B: 11.5h*).
- GitHub-Style Absence Grid:** 30-day green attendance grid showing peak absenteeism days.

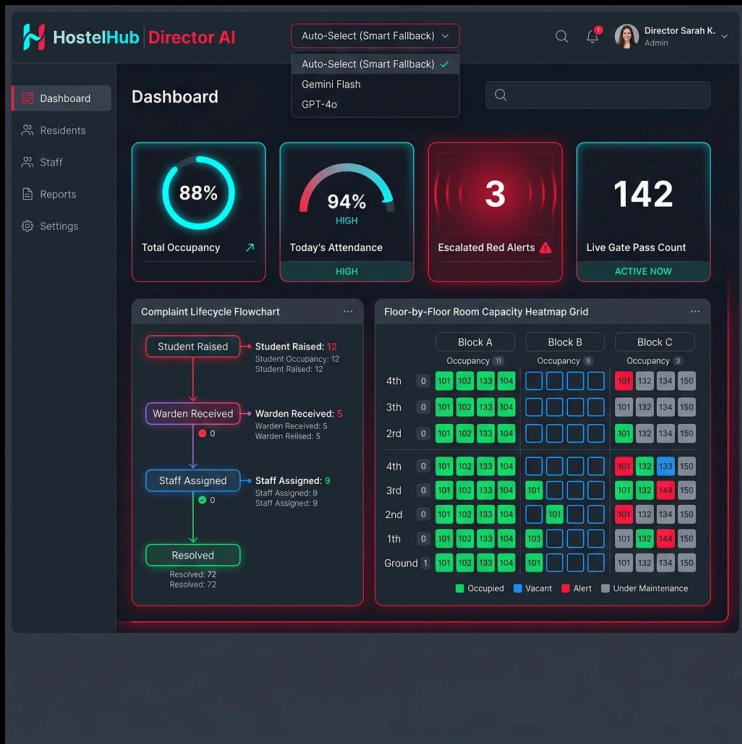

💡 **Management Benefit:** Hostel block performance aur warden/staff response speed transparent compare hona.

System Audit & Compliance Breakdown:

- **Real-Time Audit Trail:** Chronological live activity log (ROOM_ALLOCATION, STATUS_OVERRIDE).
- **Student 360° Profile:** Roll number lookup showing attendance gauge (94%), room info, and past history.
- **1-Click NAAC / NIRF PDF Exporter:** Inspection ready compliance reports download in 1-click.

💡 **Management Benefit:** 100% System audit transparency + 1-click government accreditation PDF exports.

★ Master Executive Summary:

- **Complete System Integration:** Student, Warden, Staff, Admin, and Management roles unified.
- **Multi-AI Model Fallback:** Zero downtime with Gemini, OpenAI, and Claude.
- **100% Responsive:** Native Mobile Apps (APKs) + High-Performance Desktop Web Portals.

💡 **HostelHub Master Vision:** Enterprise-Grade Smart Campus & Hostel Management Ecosystem.
